Udgivelsesår: ?

Forlag: ?

Sideantal: 800 pages

Destined to be the new standard reference in the field, *Competent Christian Counseling* is comprehensive, authoritative, practical, and userfriendly. Over 40 contributors. Using the best resources from God's revelation in Christ, science, and ministry, *Competent Christian Counseling* provides a powerful, clinically excellent and biblical model of Christian counseling as it addresses the following:

Intake & assessment, diagnosis and treatment planning, brief therapy, addictions & substance abuse, child, adolescent & family therapy, crisis and suicide intervention, fear & resistance, grief, anxiety, depression & eating disorders, homosexuality & reparative therapy, marital & sexual therapy, multicultural & special applications, research & emerging technologies, supervision & education issues, theological, spiritual, biological & psychosocial roots.
