

## Fra Selskabets bibliotek - abstract 6

Bogens forfatter: Pfeifer, Samuel

Bogens titel: Supporting the weak. Christian Counseling and contemporary Psychiatry

Udgivelsesår: ca. 1994

Forlag: Nelsom Word Limited, Milton Keynes

Sideantal: 256 pages

Dr. Pfeifer, a practising psychiatrist, explains in simple terms what causes the various kinds of psychiatric illness, and how lay people can act in helpful ways towards sufferers and their families. His reflections on the interaction between psychiatry and Christian faith are valuable both for Christian counsellors and non-Christian healthcare professionals.
